Puerto Rico Medicaid Provider Enrollment Checklist

Provider Type – Occupational Therapist (53)	
Specialty – Occupational Therapist (090)	

Enrollment Type:

- Individual or Sole Proprietor
- Individual within a group

Note: If you are a sole proprietor who renders and bills for your own services and you also render services for another group provider, you must complete two enrollments: one enrollment as an 'individual' enrollment type and a second enrollment as an 'individual within a group'.

Application Information:

The following is an overview of the primary information needed to complete an application for the provider type and specialty listed above. Please note that all service locations where Medicaid beneficiaries are rendered services must be enrolled.

General information including provider type, enrollment effective date, legal name, employer identification number (EIN), last name, first name, date of birth, social security number (SSN), national provider identifier (NPI), and contact information.
Specialty and taxonomy information including effective dates.
Address information including service location address of all locations at which services are rendered to Medicaid beneficiaries, mail to, and pay to addresses. Note: If enrolling with an enrollment type of 'Individual within a Group' service location address information is not captured.
Capacity information including maximum member count.
Tax classification information including organization type (e.g., non-profit, for profit).
Association information including provider ID, and effective and end dates. Note: Group associations are only permitted with enrolled, active providers and will display for 'individual within a group' enrollment type.
License information including license number, issuing state, and effective and end dates; and Medicare enrollment (if applicable), including Medicare number, Medicare type, effective and end dates, and other state Medicaid enrollment information (if applicable).
