Important Update
2023-PRMP-POP-003
Amendment #3
RFP CLARIFICATION

This notification has the purpose of informing all participating vendors of an important change in the **Request for Proposal (RFP) referenced as 2023-PRMP-POP-003**. After a revision of the RFP, PRMP needs to clarify that in Attachment E: Mandatory Specifications, page 49, bullet point #8: “The vendor and its staff or subcontractors must conduct CVO services in adherence with NCQA Health Plans Standards”, does not apply for the services requested in the RFP.

Thank you for your continued interest and participation in our RFP process.

Best regards,
