### **Fourth Important Update 2024-PRMP-HIE-001 RFP Amendment #4**

This notification<sup>1</sup> has the purpose of informing interested vendors an amendment to item 4 of the *Worksheet Instructions for Completing Attachment F-Outcomes Traceability Matrix (OTM)*. Since the Attachment column is not pre-populated as it is stated, item 4 needs to be corrected. It should read as follows:

4. The vendor must provide the attachment, section, and page number(s) where their detailed narrative response for each outcome resides, providing the PRMP with a crosswalk and helping to ensure that each outcome specified in Attachment F is included in the vendor's response. ~~Be advised that the Attachment column has been pre-populated with the location that the PRMP anticipates the narrative response to reside, however it is up to the vendor to update that column accordingly should the vendor respond to an outcome in a different location in its response.~~

For questions or comments, please contact Ms. Elizabeth Otero Martínez, Solicitation Coordinator, at [elizabeth.otero@salud.pr.gov](mailto:elizabeth.otero@salud.pr.gov) .
