Puerto Rico Medicaid Provider Enrollment Checklist

Provider Type – Nurse Practitioner (30)

Specialty – Nurse Practitioner (930)

Enrollment Type:

- Individual or Sole Proprietor
- Individual within a group
- Ordering, prescribing, or referring (OPR)

Note: If you are a sole proprietor who renders and bills for your own services and you also render services for another group provider, you must complete two enrollments: one enrollment as an 'individual' enrollment type and a second enrollment as an 'individual within a group'.

Note: Ordering, prescribing, or referring providers cannot render or bill for services. They are only permitted to order, prescribe, and refer.

Application Information:

The following is an overview of the primary information needed to complete an application for the provider type and specialty listed above. Please note that all service locations where Medicaid beneficiaries are rendered services must be enrolled.

- General information** including provider type, enrollment effective date, legal name, employer identification number (EIN), last name, first name, date of birth, social security number (SSN), national provider identifier (NPI), and contact information.
- Specialty and taxonomy information** including effective dates.
- Address information** including service location address of all locations at which services are rendered to Medicaid beneficiaries, mail to, and pay to addresses.
Note: If enrolling with an enrollment type of 'individual within a group', then service location address information is not captured. If enrolling with an enrollment type of 'OPR', then only service location address and mail to address details are captured.
- Capacity information** including maximum member count.
- Tax classification information** including organization type (e.g. non-profit, for profit).
Note: If enrolling with 'OPR' enrollment type, then organization information is not captured.

- Association information** including provider ID, and effective and end dates.
Note: Group associations are only permitted with enrolled, active providers and will display for 'individual within a group' and 'OPR' enrollment types.
- License information** including license number, issuing state, and effective and end dates; and Medicare enrollment (if applicable), including Medicare number, Medicare type, effective and end dates, and other state Medicaid enrollment information (if applicable).
- Drug Enforcement Administration (DEA) information** (if applicable) including DEA number, and effective and end dates.
- Controlled Substance Certificate (Puerto Rico) information** including registration number, effective and end dates (if provider dispenses or prescribes controlled substances).
- Hospital affiliations** including hospital name, status of privileges, and effective and end dates.
- Certification information** (if applicable) including specialty, certificate type, and effective and end dates.
- Malpractice insurance information** (if applicable) such as type of carrier, name of carrier, coverage amount, policy number, and effective and end dates.
- Collaborating physician information** including last name, first name, and NPI.
- Self-disclosure information** including actions taken against or changes to your license/certification, enrollment terminations, actions taken against a federal or state controlled substance certificate, actions taken against you during participation in a governmental healthcare program, investigations, actions taken against your professional liability coverage and contact information for audit purposes (42 CFR § 455.100-106).
- Subcontractor disclosure information** for any entity/individual with which you have had any business transactions totaling more than \$25,000 during the preceding 12-month period. If applicable, you will be required to provide subcontractor information such as name, address, effective and end dates, and control interest. If control interest is reported, additional ownership details such as % interest, name, SSN, DOB, and address will also be required (42 CFR § 455.100-106).
Note: If enrolling with an enrollment type of 'OPR', then subcontractor disclosure information is not captured.
- Ownership and control interest information** in the disclosing entity (individual or corporation). For entities having ownership/control interest in the disclosing entity, information such as ownership/control interest in any other provider, fiscal agent or managed care entity, criminal convictions in other government programs, other state Medicaid participation, program terminations, outstanding debts with other government programs, adverse legal actions, and relationships to the entity having ownership/control interest in the provider will be required (42 CFR § 455.100-106).

Note: A person with an ownership or control interest means a person or corporation that has a direct or indirect ownership totaling 5% or more in the provider, is an officer or director of a provider organized as a corporation or non-profit, or is a partner in a provider organized as a partnership. If enrolling with an enrollment type of 'OPR', then ownership and control interest information is not captured.

- Managing employee information** such as name, SSN, DOB, address, email, effective and end dates, criminal convictions in other government programs, other state Medicaid participation, program terminations, outstanding debts with other government programs, adverse legal actions, and relationship to the provider (42 CFR § 455.100-106).

Note: One form must be completed for each managing employee. Per 42 CFR § 455.101, a managing employee means a general manager, business manager, administrator, director, or other individual who exercises operational or managerial control over, or who directly or indirectly conducts the day-to-day operation of an institution, organization, or agency. If enrolling with an enrollment type of 'OPR', then managing employee information is not captured.

- Business transactions** with any wholly-owned supplier or subcontractor. Information required includes name, tax ID, DOB (for individuals), effective and end dates, and address (42 CFR § 455.105).

Note: One form must be completed for each wholly-owned supplier or subcontractor. If enrolling with an enrollment type of 'OPR', then business transaction information is not captured.

Required Documents:
