Luz E. Cruz- Romero Medicaid Director Puerto Rico Medicaid Program Puerto Rico Department of Health P.O. Box 70184 San Juan, PR 00936-8184

Dear Ms. Cruz-Romero:

RE: SPA# 20-0012

On November 6, 2020, the Centers for Medicare and Medicaid Services (CMS) received Puerto Rico state plan amendment (SPA) PR 20-0012 to temporarily modify the income disregard categorically needy and medically needy eligibility groups in the Puerto Rico Medicaid program. We approve this SPA, with an effective date of November 15, 2020, and an expiration date of September 30, 2021. A copy of the approved State Plan pages and the signed CMS-179 form are enclosed.

As a reminder, states and territories may claim a 6.2 percentage point increase in the federal medical assistance percentage (FMAP) through the last day of the quarter in which the public health emergency (PHE) declared by the Secretary of Health and Human Services for COVID-19 terminates, provided that the state or territory meets the requirements of section 6008(b) of the Families First Coronavirus Response Act (FFCRA). As discussed with Puerto Rico, section 6008(b)(3) of FFCRA prohibits a state or territory from terminating the Medicaid enrollment of any individual who was eligible for Medicaid on March 18, 2020 or who established eligibility thereafter, prior to the end of the month in which the PHE ends.

Therefore, if the COVID-19 PHE has not yet terminated when the terms of this SPA expire on September 30, 2021, and Puerto Rico elects to continues to claim the enhanced FMAP authorized by section 6008(a) of the FFCRA, then, consistent with section 6008(b)(3) of the FFCRA, Puerto Rico will have to maintain the Medicaid enrollment of all individuals who established eligibility on the basis of the eligibility increases approved in this SPA through the end of the month in which the PHE ends.

If, because of Puerto Rico's spending rate and financial circumstances, Puerto Rico decides to end the eligibility increases approved in this SPA earlier than September 30, 2021, Puerto Rico would need to submit an additional SPA to implement this change. Should this circumstance arise, CMS requests that the territory notify CMS of its plans as early as possible, preferably at least two calendar months

prior to the expected end of the eligibility increases. CMS is available to respond to questions and provide any additional technical assistance needed.

Congratulation to you and your staff for your hard work and strong collaboration. If you have any question or wish to discuss this SPA further, please contact Ivelisse Salce at 212-616-2411.

Sincerely,

James G. Scott, Director Division of Program Operations

	Puerto Rico drops amounts under 50 cents and increase amounts from 50 to 99 cents to the next dollar. For example, \$1.39 becomes \$1 and \$2.50 becomes \$3.
