

DEPARTMENT OF HEALTH

Puerto Rico Medicaid Program

Second Important Update 2024-PRMP-MES-PS-007 Various Events; Amendment # 1

This notification¹ has the purpose of informing interested vendors the following events related to the Health Information Exchange Operations and Technical Services request for proposals:

- a. Responses to participant's questions have been posted at Puerto Rico Medicaid Program (PRMP) and Puerto Rico Department of Health (PRDoH) websites.
- b. The amended cost proposal has been posted; vendors are to discard the previous version and utilize the one posted on November 6, 2024. The "total" columns have been verified and corrected, however the formulas in the workbook are still hidden.
- c. First amendment: Page 55 section 2.2 "Key staff references" has been amended to read as follows:

The vendor should provide two references for each proposed key staff. The reference should be able to confirm that the staff has successfully demonstrated tasks commensurate to the tasks they will perform in alignment with this RFP and the resulting contract. ~~Vendors may not use PRMP staff as a reference.~~
