Third Important Update 2024-PRMP-MES-PS-007 Amendment #2 and Correction to Important Update

This notification¹ has the purpose of informing interested vendors about the following amendment affecting the *Request for Proposals (RFP)* related to Provider Services Support (PS) published on October 18, 2024, and correction to the *Second Important Update* published on November 6, 2024. Important changes to the aforementioned documents are the following:

- a) Second Amendment: Under *Attachment C: Vendor Qualifications and Experience* of the RFP, in subsection **References** of page 49, such subsection has been amended to read as follows:

The vendor must provide references for similar services provided in the past. The PRMP may conduct reference checks to verify and validate the past performance of the vendor and its proposed subcontractors. ~~The vendor may not include PRMP as a reference.~~ Preference may be provided to vendors with references specific to those services detailed within the RFP.

- b) Correction: In the *Second Important Update*, the first paragraph has been corrected to read as follows:

This notification has the purpose of informing interested vendors the following events related to the ~~Health Information Exchange Operations and Technical Services~~ Provider Services Support request for proposals:

Jorge L. Sánchez Rodríguez, Esq.
Procurement Oversight Lead
Medicaid Program
November 14, 2024

¹ Issued in accordance with Section 3.8 of the RFP.
